

Zagreb Womens Night Slalom

Saturday, 16 February 2008

This Sunday at 7.55 am 17th February 2008 World Cup Skiing on 4 comes from the Croatian resort of Zagreb.

The focus will be on the women's night slalom and Nick Fellows will once again be joined by Former Austrian No.1 and double Olympic gold medalist Michaela Dorfmeister.

This week we include an in depth feature on another Austrian, Marlies Schild as she is in the fight for the slalom title.

Chemmy Alcott will also be providing viewers with her fitness tips in her regular Fit to Ski section
As Zagreb is the only city stop on the World Cup tour it certainly makes for an interesting resort guide and a skiing holiday with a difference.

Once again we are offering viewers the chance to win a holiday in Val d'Isère, the competition closes on Saturday 23rd February so log onto www.Channel4.co.uk/skiing this week for your final chance to enter.
