Double Agent: new headphones with SD card from SkullCandy $_{\mbox{\scriptsize Thursday, 17 January 2008}}$

Users load the SD card with music, plug it in the headphones and that's it, they are ready to go snowboarding.

The Double Agent will come with pre-loaded SD cards with songs from SkullCandy's music partners, that's even less w to do!

It will ship in March/April 2008, more photos in the full post. Specifications in the full post
