

Double Agent: new headphones with SD card from SkullCandy

Thursday, 17 January 2008

Users load the SD card with music, plug it in the headphones and thatâ€™s it, they are ready to go snowboarding.

The Double Agent will come with pre-loaded SD cards with songs from SkullCandyâ€™s music partners, thatâ€™s even less work to do!

It will ship in March/April 2008, more photos in the full post. Specifications in the full post
