

Burton and Nboard Partner

Wednesday, 06 February 2008

Future snowboarding have published an article which suggests that Burton has partnered with nboard.ca

Â

Burton and Nboard, are proud to present the NoFish. Say yes to the no: it's not a snowboard, it's a Nboard. Based off a hybrid Burton Fish shape, the NEW NoFish is a board that combines speed, control and float with the freedom to move your feet, similar to the sensation of riding a skateboard or surfboard.
