Absinthe Films presents Neverland

Friday, 28 August 2009

Absinthe Films ,one of the industryâ€™s big names is bringing you the best riders from all over the globe, showing some of the most progressive snowboarding and filming currently out there.

Each of their films (Vivid, Pop and Optimistic), has inspired many people. With every new release Absinthe never fails to motive you to go riding.

This years video "Neverland" will raise the bar for the other production companies and sees Absinthe bringing spectacular snowboarding and cinematography to their game
